

You are invited to join us in celebrating the launch of the

Wajarri Dictionary App

Three generations with the Wajarri Dictionary App (and a gargula or bush pear!)

**A new generation access
the Wajarri language!**

**Free to download to your
smart device or computer.**

**The Wajarri Dictionary App is the first of its kind in WA;
developed jointly between the Bundiyarra-Irra Wangga
Language Centre and the Bundiyarra Information
Technology and Marketing Departments.**

**With a database of more than 2000 words, it's a great
reference and teaching tool.**

**Based on the Wajarri Dictionary — that was 25 years in the
compilation — it offers access to the language that is more
universal than ever, with English translations and audio of all
Wajarri words so you can hear them spoken.**

12 June 2015

**11am to 1pm
at Bundiyarra**

**Cnr Eastward
and Blencowe Roads
Geraldton**

RSVP to Kathleen
or Janine on
(08) 9920 7900 or email:
reception@bundiyarra.org.au

Come join us for this historic launch with entertainment and a hearty feed!

We respectfully acknowledge the Wajarri people, past and present, who gave us this language, and the custodians of the Yamaji barna on which we stand.
